

Kamloops to Tuktoyaktuk Road Trip July 6-22, 2024. Below are the mammals and birds seen. This was not specifically a birding trip and serious birding was only done on a handful of occasions. These include at Liard River Hot Springs on July 9, along the road in Tombstone Territorial Park on July 10 and 11, around Tuktoyaktuk on July 13 and 14 on short excursions, and around Salmon Glacier for 2 hours the morning of July 19. The rest were noticed on the roadside or while out and about.
